

Overdue Debt or Scam?

Protect yourself and your money. Know the signs to determine if that IRS caller is real or a sham. Be on

high alert if:

- You did not receive a letter previously notifying you of money owed.
- Immediate payment is demanded over the phone.
- They ask for your credit card or debit card information.

- They tell you to send a check to someone other than the United States Treasury or the IRS.
- You are threatened or told you will be arrested if you don't pay now.

If you have been a victim of this scam you can contact the Treasury Inspector General for Tax Administration (TIGTA) 1-800-366-4484 or our office with questions at 248-623-1900.
